OUR  
**TAX PRACTICE**

## WHO WE ARE

**We Are African.**

**We believe in the African People, Markets and Solutions.**

**We are Focused on Impact and Africa-Driven Solutions.**

We are a highly specialised, innovative team of professional tax practitioners and consultants in Uganda offering incisive, impactful, value-driven solutions for our clients. We combine experience in leading complex international transactions with a detailed understanding of local legal and regulatory compliance.

We are driven by a desire to create social impact and harness the interconnectedness of the African ecosystem by providing blended legal & tax services. Our clients include international private equity funds, impact funds, financial institutions, construction and oil & gas companies, tech companies,

and leading non-profits and social enterprises in East Africa.

Our team combines a breadth of experience, education, and training from some of the best institutions in the world. We are always on the lookout for the most talented and ambitious professionals to work with. With a mix of lawyers, accountants, and tax specialists, our service offering is unequalled in both tax and legal assignments.

## WHAT WE OFFER

TASLAF seamlessly applies international standards while harnessing our knowledge, contacts, and experience of the local market, to provide the best solutions for our clients.

Whether we are advising on a “quick and simple” legal question or managing a complex transaction over a period of many months, we always ensure that our advice is legally wholesome and takes into account various practical and commercially viable business objectives, which are important for our clients to achieve their goals.

## OUR SPECIALISED TAX SERVICES

We offer various specialised tax services to our clients, both in the non-profit and for-profit sectors in Uganda. Our service offerings under TASLAF's Tax Practice can be broken down as follows:

### Tax Advisory/Consultancy Services

- Advising, sensitizing, and appraisal of organization decision-makers on the relevant implications of the various domestic tax heads, including Income Tax, Value Added Tax (VAT), Pay as You Earn (PAYE), Capital Gains Tax (CGT), Withholding Tax (WHT), Excise Duty and Stamp Duty, Local Services Tax (LST) and National Social Security obligations.
- Providing legal opinions and advice on tax issues such as tax compliance, deemed VAT, voluntary disclosure procedure, objection to tax assessments, transfer pricing, ledger reconciliation.
- Advising, applying and obtaining tax incentives and exemptions for entities.
- Identifying the tax concerns related to corporate structuring, re-structuring, and re-organisations while providing tax relief in the form of rollover relief applications with Uganda Revenue Authority.
- Advising on the various compliance requirements of the Ugandan tax regimes as applicable to various industries, sectors, and activities (e.g. energy and electricity, renewable energy, oil and gas, contractors of infrastructure projects,

telecommunications, information technology, non-governmental organisations, non-profit organisations, etc.).

- Identification of opportunities arising from tax exemptions and other favourable tax treatments of given transactions.
- Advising on the applicability and application of double taxation avoidance agreements.
- Assistance in the applicability and application of transfer pricing requirements and regulations for related party transactions.
- Advising and assistance in obtaining customs and import duties exemptions for qualifying consignments on behalf of clients.
- Providing tax compliance advisory and support services to leading NGOs and non-profits in Uganda; including but not limited to tax registration, filing tax returns, renewal of income tax exemptions, compliance with WHT, and TCCs.

## OUR TEAM OF SPECIALISTS

### STEPHEN TUMWESIGYE MANAGING PARTNER

E: [stumwesigye@taslafadvocates.com](mailto:stumwesigye@taslafadvocates.com)

Stephen Tumwesigye is a founding partner at the firm and one of Uganda's leading corporate & tax lawyers. He heads the Corporate M & A and Impact Finance Practices at TASLAF. He is also part of the oil & gas and Tax practices. Stephen formerly worked as a Tax and Legal Consultant with Deloitte-East Africa, where he advised leading entities in the East African Region.

Stephen advises private equity and other investment funds set up in the East African region and leads teams that advise on fund formation, due diligence on target companies, acquisitions, and exits, negotiating complex financing agreements, structuring shareholder agreements, and Initial Public Offers.

He has acted for international firms in the oil and gas and financing space that are involved in high-profile infrastructure projects. His experience includes advising clients on tax and legal aspects of setting up in Uganda, structuring joint venture agreements, and Project Finance, and advising on all aspects of the Procurement, Engineering, and Construction value chain. This is in addition to participating in high-level litigation involving employment, tax, and construction disputes.

Stephen has also advised on the setup and entry of some of the leading Technology companies in East Africa and has participated in structuring financing for leading app and software developers in Uganda.

He has been involved in the setting up, restructuring and continues to advise leading multinational nonprofits, Development Finance Institutions (DFI's), and other philanthropic entities. He has a deep understanding of the non-profit and development finance landscape in East Africa. He coordinates the firm's flagship pro bono project, which combines the use of Artificial Intelligence (AI) to provide innovative services to East Africa's leading startups and social enterprises.

Stephen has served as a mentor in the Yunus Social Business Foundation and the Tony Elumelu Entrepreneurship Program and is a regular speaker at conferences involving development finance. He serves on the boards of Chapter Four Uganda and previously TPO Uganda, where he provides strategic advice to boards on the governance framework governing the organisations. Stephen holds a Master of Laws (LLM) from Harvard Law School, where he was an Open Society Foundations Scholar.

knowledge of the regulatory and commercial landscape, Immaculate has become a highly proficient and seasoned tax and legal professional with extensive experience in managing a wide range of sectoral tax and legal strategies for a wide range of clientele, reducing tax liabilities, providing tailored tax advice to a wide range of clientele. Proven success in leading teams to achieving one hundred per cent success for tax assignments, tax audit success and skilled in resolving complex tax disputes.

Immaculate holds a Bachelor of Laws degree (LLB) from the Ugandan Christian University (UCU), Certificate in Oil and Gas Management Essentials, Post-graduate Diploma in Tax and Revenue Administration and Bachelor of Science in Business Statistics from Makerere University Kampala.

## **ROBIN OMARA**

### **SENIOR ASSOCIATE TAX & ACCOUNTS**

E: [romara@taslafadvocates.com](mailto:romara@taslafadvocates.com)

Robin is a Senior Tax Associate with strong experience in tax advisory, audit, and financial analysis, providing practical and results-driven solutions to corporate clients across diverse sectors. He has developed expertise in tax compliance, tax dispute resolution, financial reporting, and regulatory advisory, supporting organizations in navigating Uganda's evolving fiscal and regulatory environment.

He holds a Bachelor of Science in Statistics from Makerere University, CPA from Institute of Certified Public Accountants and is currently pursuing multiple professional qualifications including ACCA, CIA, and ADIT, demonstrating a strong commitment to continuous professional development and technical excellence in accounting, audit, and international taxation.

Robin provides strategic support in tax compliance, preparation and review of tax returns, handling tax audits, and representing clients in tax disputes before the Uganda Revenue Authority. He also contributes to audit engagements, financial reporting, and internal control assessments, ensuring alignment with IFRS and regulatory standards.

His experience spans both professional services and project-based financial analysis, where he has contributed to economic evaluations, financial modeling, and project feasibility assessments across multiple jurisdictions. His analytical mindset, attention to detail, and ability to integrate tax, audit, and financial perspectives enable him to deliver practical, risk-aware, and value-driven solutions to clients.

## GEORGE OKITOI

### LEGAL & TAX ASSOCIATE

E: [gokitoi@taslafadvocates.com](mailto:gokitoi@taslafadvocates.com)

George Okitoi is a Legal and Tax Associate at the firm with the Tax Department and the Commercial Advisory and Dispute Resolution Department. He obtained a Bachelor of Laws from Makerere University (Second Class Upper Division) and a Post Graduate Diploma in Legal Practice from the Law Development Centre, and a Post Graduate Diploma in Tax and Revenue Administration from the East African School of Taxation.

His expertise spans law, taxation, regulatory compliance, and emerging technologies, enabling him to provide innovative, risk-aware, and forward-looking solutions to businesses, nonprofit and development organisations operating in complex regulatory environments.

He provides strategic guidance on tax compliance, tax planning, exemption processes, and regulatory filings, ensuring that organisations remain compliant with Uganda's fiscal framework while enhancing operational efficiency. His understanding of environmental taxation, sustainable finance, and

digital compliance frameworks is particularly valuable to clients involved in infrastructure support, livelihoods initiatives, and cross-border regulatory considerations.

In addition to his tax practice, George contributes to commercial advisory and dispute resolution, supporting clients in managing contractual obligations, navigating regulatory processes, and resolving financial or administrative disputes. His analytical approach, strong research ability, and capacity to integrate both legal and financial perspectives allow him to provide practical, evidence-based solutions that strengthen institutional governance and reduce operational risk.

George's diverse academic background, technical competencies, and commitment to excellence make him a strong contributor to the TASLAF Advocates team, supporting clients in maintaining robust legal, fiscal, and regulatory compliance across Uganda and Africa.

## LEAH KANGANGYE

### TAX ASSOCIATE

E: [lkangangye@taslafadvocates.com](mailto:lkangangye@taslafadvocates.com)

Leah is a Tax and Accounts Associate at TASLAF Advocates, who holds a Bachelor of Science (Hons) in Applied Accounting from Oxford Brookes University and is currently pursuing the Association of Chartered Certified Accountants (ACCA) qualification at Level 3; specializing in tax compliance, client billing systems, and financial accounting. She supports corporate clients, nonprofit organizations, and development partners in meeting their tax and statutory obligations while operating efficiently within Uganda's legal and regulatory framework.

She possesses strong knowledge of Ugandan tax laws, accounting principles, and financial reporting procedures, with hands-on experience in PAYE, VAT, Withholding Tax, corporate income tax compliance, and statutory reconciliations. Leah is committed to delivering accurate, timely, and practical solutions that enhance compliance while improving tax efficiency.

She is actively involved in client billing processes, ledger reviews, reconciliations, and the preparation and amendment of tax returns, as well as engagements with the Uganda Revenue Authority through digital platforms such as EFRIS and the Domestic Taxes portal. Her analytical and problem-solving skills enable her to identify compliance gaps, minimize financial risks, and support clients during audits and regulatory reviews.

Leah holds a background in accounting and is currently pursuing ACCA at Level 3, reflecting her commitment to continuous professional development and high ethical standards. Leah's attention to detail, client-focused approach, and strong work ethic enable her to contribute effectively to multidisciplinary teams delivering tax and accounting services across diverse sectors.
